# OutLite

## Smart Bluetooth Outlet

Over the last few weeks, we have been hard at work creating a prototype of the OutLite. We're proud to announce that our proof-of-concept works!

**We are ready to ship the OutLite to beta testers.**

We need your continued support to test our device in the real world. You can help us by ordering your OutLite now! To cover our R & D costs, we are asking our beta testers for **\$15**

**To receive your device for \$15, shoot us an email at [teamoutlite@gmail.com](mailto:teamoutlite@gmail.com)**
